

## Child Welfare Outcomes Report: Outcomes and Measures

- **Outcome 1: Reduce recurrence of child abuse and/or neglect**

Measure 1.1: Of all children who were victims of substantiated or indicated child abuse and/or neglect during the first 6 months of the year, what percentage had another substantiated or indicated report within a 6-month period?<sup>1</sup>

- **Outcome 2: Reduce the incidence of child abuse and/or neglect in foster care**

Measure 2.1: Of all children who were in foster care during the year, what percentage were the subject of substantiated or indicated maltreatment by a foster parent or facility staff?

- **Outcome 3: Increase permanency for children in foster care**

Measure 3.1: Of all children who exited foster care during the year, what percentage left either to reunification, adoption, or legal guardianship?

Measure 3.2: Of all children who exited foster care during the year and were identified as having a diagnosed disability, what percentage left either to reunification, adoption, or legal guardianship?

Measure 3.3: Of all children who exited foster care during the year and were older than age 12 at the time of their most recent entry into care, what percentage left either to reunification, adoption, or legal guardianship?

Measure 3.4: Of all children exiting foster care during the year to emancipation, what percentage were age 12 or younger at the time of entry into care?

Measure 3.5: Of all children who exited foster care during the year, what percentage by racial/ethnic category left either to reunification, adoption, or legal guardianship?

- **Outcome 4: Reduce time in foster care to reunification without increasing reentry**

Measure 4.1: Of all children reunified with their parents or caretakers at the time of discharge from foster care during the year, what percentage were reunified in the following time periods?

- (a) Less than 12 months from the time of entry into foster care
- (b) At least 12 months but less than 24 months
- (c) At least 24 months but less than 36 months
- (d) At least 36 months but less than 48 months
- (e) 48 or more months

---

<sup>1</sup> In this Report, all references to “year” indicate a Federal fiscal year (October 1 through September 30). Although alternate types of years (e.g., calendar years) are never used in the Child Welfare Outcomes Reports, the Child and Family Services Reviews sometimes use alternate 12-month time periods to track progress over time.

Measure 4.2: Of all children who entered foster care during the year, what percentage reentered care in the following time periods?

- (a) Within 12 months of a prior foster care episode
- (b) More than 12 months after a prior foster care episode

- **Outcome 5: Reduce time in foster care to adoption**

Measure 5.1: Of all children discharged from foster care during the year to a finalized adoption, what percentage exited care in the following time periods?

- (a) Less than 12 months from the time of latest removal from home
- (b) At least 12 months but less than 24 months
- (c) At least 24 months but less than 36 months
- (d) At least 36 months but less than 48 months
- (e) 48 or more months

- **Outcome 6: Increase placement stability**

Measure 6.1: Of all children served in foster care during the year who had been in care for the time periods listed below, what percentage had no more than two placement settings during that time period?

- (a) Less than 12 months from the time of latest removal from home
- (b) At least 12 months but less than 24 months
- (c) At least 24 months but less than 36 months
- (d) At least 36 months but less than 48 months
- (e) 48 or more months

- **Outcome 7: Reduce placements of young children in group homes or institutions**

Measure 7.1: Of all children who entered foster care during the year and were age 12 or younger at the time of their most recent placement, what percentage were placed in a group home or an institution?
